

IMPORTANT SAFEGUARDS

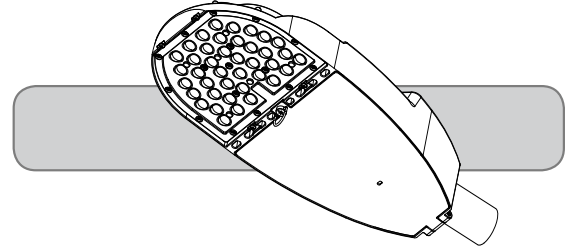

When using electrical equipment, basic safety precautions should always be followed including the following:

INSTALLATION INSTRUCTIONS INSTRUCTIONS D'INSTALLATION

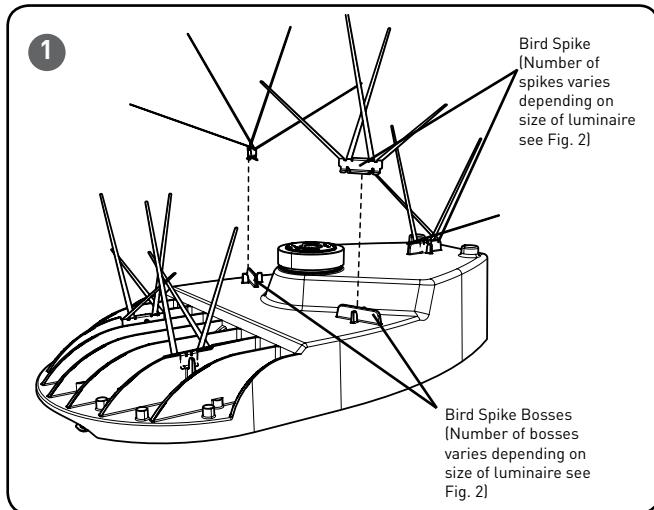

READ AND FOLLOW ALL SAFETY INSTRUCTIONS

- DANGER**- Risk of shock- Disconnect power before installation.
DANGER – *Risque de choc – Couper l'alimentation avant l'installation.*

SAVE THESE INSTRUCTIONS FOR FUTURE REFERENCE

TO INSTALL:

STEP 1:

Locate the bird spike bosses on the top of the luminaire and attach each bird spike by pressing down on the spike until it clicks in place. See **Figure 1**.

NOTE: The number of bird spike varies depending on luminaire size (**See Figure 2**):

- TRVSM: 4 Bird Spikes
- TRVMD: 5 Bird Spikes
- TRVLG: 6 Bird Spikes
- TRVXL: 7 Bird Spikes
