**Better Color for Better Light**

*Better Light Changes Everything*

The ZR-MT TrueWhite® Series troffer delivers an exceptional combination of brilliant 90+ CRI light and enhanced aesthetics for those color-critical applications that demand to be seen in the best light.

*Flexible Mounting Options*

With an ultra-thin 3.0” height and lightweight design, the ZR-MT TrueWhite® Series troffer is ideal for a broad range of plenum spaces. In addition, a new intuitive removable lens allows for simple room-side access, freeing your maintenance team for more productive projects.

*Exceptional Performance*

With continuous 0-10V dimming, the ZR-MT TrueWhite® Series troffer leads the industry with a 10-year warranty and up to 128 LPW efficacy now with DLC Premium certification, while also complying with CA Title 24 as well as most nationwide energy codes.

*Intelligence By Design*

The ZR-MT TrueWhite Series, with 0-10V dimming or SmartCast wireless controls both now offering 1% dimming, provides a combination of extreme energy productivity and a more personalized light experience that’s so intuitive and simple, it just works. Luminaires are part of a sensor-rich, connected platform that creates value far beyond illumination.
ZR-MT TRUEWHITE® SERIES LED TROFFER

The ZR-MT TrueWhite® Series troffer embodies a breakthrough in balancing energy savings, visual comfort and payback, offering 2x2, 1x4 and 2x4 options for both new construction and renovation. The ZR-MT TrueWhite® Series troffer delivers up to 128 lumens per watt, 5000 lumens of 90+ CRI color and multiple control options with a pleasing aesthetic look offering natural-looking colors and a comfortable light experience that’s simply better.

PERFORMANCE SUMMARY

- **TrueWhite® Technology**
- **Efficacy:** 128 LPW
- **Delivered Light Output:** 3200 to 5000 lumen options
- **Input Power:** 25 to 39 watts
- **CRI:** 90+
- **CCT:** 3000K, 3500K, 4000K or 5000K
- **Input Voltage:** 120-277 VAC or 347 VAC
- **Controls:** 0-10V dimming to 1%, SmartCast Technology to 1%
- **Lifetime:** Designed to last from 75,000 hours L70 @ 35°C
- **Limited Warranty:** 10 years†
- **Mounting:** Recessed
- **Options:** Emergency Backup - 1400 lumens

CONTROLS

- SmartCast® Technology-capable with dimming to 1% for enhanced energy savings with simple installation
- Continuous dimming to 1% with 0-10V controls comes standard*
- For use with Class 2 dimming systems only; reference www.creelighting.com/zr-series for recommended dimming controls and wiring diagrams

REGULATORY & VOLUNTARY QUALIFICATIONS

- **DLC Premium and Standard**
- **UL924 (EB option)**
- **cULus listed**
- Suitable for damp locations
- Designed for indoor use
- RoHS compliant. Consult factory for additional details
- Meets FCC Part 15, Subpart B, Class A standards for conducted and radiated emissions

REMovable LENS FOR EASY MAINTENANCE

Cree Lighting’s ZR-MT TrueWhite® Series troffer with removable lens helps deliver a simply better lighting experience that’s easier as well.**

** TOMMOUNTING THE TROFFER PANE**

Step 1

Locate the end cap with arrows indicating this is the side to be removed. To pop off the lens, squeeze the lens, activating the mechanical snap and lock feature of the lens.

Step 2

Pull the lens down a bit, allowing access to wipe the lens clear of any debris. Once complete, simply fix the end cap back on and push the lens up - snapping it back into place.

Magnetic Lens Feature

The magnetic lens feature ensures the lens and troffer pan maintain a tight seal, protecting against possible dust and bug intrusion.
