IMPORTANT SAFEGUARDS

WARNING - Risk of Electric Shock. Disconnect power at fuse or circuit breaker before installing or servicing.

READ AND FOLLOW ALL SAFETY INSTRUCTIONS
1. It may be necessary to remove a socket mounting plate for adequate clearance.
2. Each lampholder shall be installed only in its intended manner and orientation.
3. Not all existing recessed housings that meet these requirements will be compatible with the CR4. To ensure compatibility, a test installation should be conducted.
4. Suitable for Wet Locations.
5. Min. temperature rating of 0°F or -18 °C.
6. Do not make or alter any open holes in an enclosure of wiring or electrical components during kit installation.
7. WARNING - LED Retrofit Kit installation requires knowledge of luminaires electrical systems. If not qualified, do not attempt installation. Contact a qualified electrician.
8. WARNING – Risk of fire or electric shock. Install this kit only in luminaires that have the construction features and dimensions shown in the photographs and/or drawings.
9. WARNING – To prevent wiring damage or abrasion, do not expose wiring to edges of sheet metal or other sharp objects.

SAVE THESE INSTRUCTIONS FOR FUTURE REFERENCE

RECESSED HOUSING COMPATIBILITY
• The CR4 is designed to install in standard 4in recessed downlight housings.
• For a list of compatible housings, visit www.cree.com/lighting.
• Compatible with most dimmers when used with multiple CR4 fixtures. Consult www.cree.com/lighting for a compatibility chart.
• Compatibility of housings not on this list may be determined by measurement of the housing as detailed in the drawing above (Figure 1).

TO INSTALL:

STEP 1:
Remove CR4 fixture from the packaging and ensure the “Flip Clips” are properly rotated in the “installation ready” position. If the “Flip Clips” are not aligned with the screws, carefully rotate the “Flip Clips” clockwise until the clips are fully-deployed. See Figure 2.

STEP 2:
Make sure the POWER IS TURNED OFF at the source to the recessed housing(s) that you are installing the fixture(s) in.

STEP 3:
Once power has been turned off, remove existing trim and bulb, revealing the existing socket.

STEP 4:
Locate the socket in your existing recessed housing and remove any screws that prevent the socket bracket from being removed (if housing socket is fixed, continue to STEP 7). See Figure 3

STEP 5:
Pull socket assembly, including the bracket, as low as possible given the existing wire length available. (May require socket plate removal.) Remove any excess bracketry from socket. Care should be taken not to damage wiring during this process. See Figure 4.

STEP 6:
Once you have removed the excess bracketry from the socket, you are now ready to install the CR4 fixture. See Figure 5.
Limited Warranty: Cree warrants to the original purchaser (the “Buyer”) of the Cree® CR Series downlight purchased (the “Product”) that the Product will be free from material defects in workmanship and materials under normal use and service and conform to Cree’s written specifications. This limited warranty extends for a period of five (5) years from the date of original purchase of the Product (the “Warranty Period”). There is NO WARRANTY (in cases of damage to the Product in transit or damage caused by your negligence; abuse; abnormal usage; misuse; accidents; damage due to environmental, corrosive or natural elements; improper power supply; failure to follow Cree’s instructions or applicable electrical codes; improper installation, storage or maintenance; damage due to acts of God; fire; vandalism; civil disturbances; power surges; alteration; mishandling; and incorrectly or improperly performing maintenance or repair by someone other than Cree or its authorized service provider. Remedy: If the Product proves defective during the Warranty Period and the Product return procedures set forth below are followed, Cree will (i) in its sole discretion, fix the Product or (ii) replace the Product with a Product of like kind and quality, at Cree’s sole discretion, and warranted for the remainder of the original warranty period. This limited warranty applies only to a Product purchased within the United States (including the lower 48 states, the District of Columbia, Hawaii, Alaska, Puerto Rico and the U.S. Virgin Islands, but excluding APO/FPO addresses that are outside of those named jurisdictions) (collectively, the “Territory”). Replacement and repaired Product or parts will only be shipped to addresses within the Territory, and refunds will only be credited to accounts located within the Territory. In compliance with CA Prop 65, Cree provides the following statement due to the customary electronics components used in this product: WARNING: This product contains a chemical known to the state of California to cause cancer, birth defects or other reproductive harm.

REMEDIATION OF INCIDENTAL OR CONSEQUENTIAL DAMAGES, SO THE ABOVE LIMITATION OR EXCLUSION MAY NOT APPLY TO YOU. This limited warranty gives Buyer specific legal rights, and Buyer may also have other rights which vary from state to state. Effective Date: January 1, 2013.
