

Cree® CPY Series

LED Canopy & Soffit Luminaire

THIS LUMINAIRE IS THE JACK OF ALL SPACES

Outstanding Performance

Capable of saving up to 68 percent energy compared to traditional source technologies, the CPY Series also provides improved lighting quality that contributes to creating safe and inviting spaces.

Unbeatable Value

Affordable to implement, the CPY250® LED luminaire was engineered to optimize both illumination and economic performance. The result is unbeatable value that contributes to a more profitable bottom line.

Exceptional Reliability

Designed and assembled right here in the U.S.A., the CPY Series is built to provide more than a decade of near maintenance-free service. And it's backed by our industry leading 10-year limited warranty.

CREE ™

BEAUTIFUL AESTHETICS, RUGGED CONSTRUCTION.

The CPY250® LED canopy/soffit luminaire delivers up to 20,080 lumens of beautiful, high-quality light with superior efficiency. With rugged cast aluminum construction and an integral heat sink, the CPY Series can withstand the most challenging outdoor environments. Available with a flat or 1" prismatic drop lens, the luminaire provides two aesthetics to meet visual and illumination performance needs. The slim, low profile design enhances architectural appeal, while offering seamless installation.

APPLICATIONS
 <p>Hospitality/Healthcare With optimum illumination and clean architectural blending, the CPY Series delivers impressive first impressions for visitors, while also promoting safe and secure exteriors for pedestrians, putting your facilities in a whole new light.</p>
 <p>Education Extreme measures are taken to ensure the safety of students in classrooms, but is your campus as secure as it could be? The CPY Series welcomes students and visitors with evenly illuminated overhangs and outdoor hallways that foster a sense of well-being.</p>
 <p>Banks The CPY Series ensures exterior canopies, drive-thrus and ATMs are always brightly illuminated, so customers feel completely secure using them. Dimming control options allow you to save more energy during low-traffic periods to help boost your bottom line.</p>
 <p>Retail/Grocery/Restaurant With a lightweight yet rugged design, the CPY Series can stand up to a variety of temperamental environments within retail and restaurant settings, including cold storage and commercial kitchens. Need a guarantee? NSF Certified options are available.</p>
 <p>Recreational Venues The CPY Series can be a game-changer for you-literally! Its rugged design outlasts frosty and humid settings inside sporting arenas like ice rinks or pools. No matter the venue, it delivers crisp, even light that helps players and spectators alike see better.</p>
