REPLACEMENTS

WE BELIEVE IN
**BETTER
LIGHT™**

4" & 6" LED BULBS
WITH INTEGRATED TRIM
FITS MOST STANDARD
AND SHALLOW 4" & 6" CANS

Better light is beautiful light; it makes colors appear richer, true and natural.

Choose better.

At Cree®, we believe in better lighting. Better light is beautiful light. But it's more than just beautiful. It is light that makes you feel more productive, more relaxed and safer. Better light changes everything.

That's why the new and improved Cree LED bulbs feature high color rendering that enhances your space and makes the colors of your décor appear vibrant, richer and more natural – true colors the way they are meant to be experienced.

Cree Light

4" and 6" RECESSED DOWNLIGHT TRIMS

WE BELIEVE IN
BETTER LIGHT™

DECORATIVE TRIMS AVAILABLE ONLINE AT LIGHTING.CREE.COM

Professional lighting design for your home

Enhance your recessed lighting experience and complement the architecture and décor of your home. The Cree Baffle Trims absorb stray light and reduce glare, while directing light where you want it – beneath the downlight. Cree Eyelid Trims direct light towards a wall to highlight artwork or architecture and wash a wall with light.

Affordable and easy to install, Cree LED Recessed Downlight Trims come in 4" and 6" sizes to fit Cree Dimmable LED Retrofit Recessed Downlights.*

Matte Black Baffle Trim

White Eyelid Trim

Choose your trim

Matte Black

Satin Nickel

Satin Copper

Eyelid

Choose your desired light experience

Provides the best glare reduction and a dramatic ceiling appearance when unlit

Complements modern decor and stainless steel appliances with good glare reduction and blends seamlessly with the ceiling when unlit

Complements traditional design and wood tones with good glare reduction and blends with the ceiling when unlit

Directs light from a downlight washing the wall with light to highlight artwork or architecture and makes a dramatic design statement.

*Downlights sold separately.
